MISSION: The Substance Abuse Treatment Initiatives (SATI) is designed to meet the needs of the court systems Juvenile Detention Alternative Initiatives and to provide area youth and their families an effective, evidence-based, as well as an affordable treatment opportunity.

ELIGIBILITY GUIDELINES: Youth ages 12-18 years, who are in need of outpatient substance abuse treatment and/or youth who are in need of a clinical treatment assessment.

PROGRAMS & SERVICES/SPECIALTY OFFERINGS: The purpose of this structured graduating treatment program is to educate, assess, and to provide intensive outpatient treatment to youth struggling with substance or alcohol use. The program utilizes evidence-based treatment models and will immerse youth into an intensive group treatment process that will provide treatment in the areas of the disease of addiction; generational predispositions of addiction; identify personal cravings; successful resolution of cravings; multi-systemic consequences of drug use; and how to live a sober life. All youth will be administered a pre-test and post-test in order to assess levels of retention and application, as well as participate in a 15 day, 30 day, or 45 day post-treatment aftercare evaluation designed to strengthen sobriety and encourage drug-free compliance. The program also serves to clinically identify those youth who are in need of more restrictive substance abuse treatment.

TO ACCESS PROGRAMS & SERVICES: Contact Youth Service Bureau at the above listed phone number

FEES & METHODS OF PAYMENT: The entire 14 week program, including all treatment phases, reporting, testing, assessments, and aftercare services are included in the \$150 fee. All checks and payments will need to be made to YSB-SATI and are due in full at initial Phase 1 session unless otherwise arranged.
